3 THE WITNESS: I'm trying to be as precise as I can
4 be.

5 BY MR. MORGAN:

6 Q No quarrel.

7 In the CWLF organization, were there people
8 that actually attended Local Church meetings?

9 A Yes, I'm sure there were. Yes, there were.
10 That is, who had been there, at least, and I would -- it
11 would be very difficult for me to know precisely who
12 actually.

13 Q Did you at some point in the development of the
14 CWLF become concerned about some of the people in that
15 organization going to the Local Church?

16 A Yes.

17 Q Can you give me some idea of when it was that
18 that concern developed with you?

19 A I think -- well, I think the first instance was
20 a fellow who went over to their house, ended up over in
21 their house, in 1969. He was a person from off the street
22 that we had picked up and were ministering to.

23 And a young lady who had -- who was working
24 with us temporarily, indicated that there was some problem
25 there.

26 Q And that person was John Glennon?

27 A Yes, that's the name, Glennon.

28 Q And he had been living in your home?
