

1 MR. KLENK: Same objection.

2 THE WITNESS: Not necessarily.

3 BY MR. MORGAN:

4 Q Okay. Would the statement that:
5 "Members yield their prerogative of
6 decision-making to Local Church
7 elders, surrender his or her
8 accountability to make responsible
9 decisions in all aspects of life,
10 sometimes without even being
11 consulted,"

12 would that be an indication of removal to a totalitarian and
13 structured environment?

14 MR. KLENK: Same objection.

15 THE WITNESS: Possibly.

16 BY MR. MORGAN:

17 Q Would the phrase:
18 "Mild degree of thought reform,
19 techniques forged by other social
20 manipulators and cults are observed
21 in the Local Church"

22 be an indication of the indoctrination that you referred to
23 in your review of The Lure of the Cults?

24 MR. KLENK: Is there a question?

25 MR. MORGAN: Yes.

26 THE WITNESS: Would you repeat the question?

27 BY MR. MORGAN:

28 Q Sure.
