

NEIL T. DUDDY

1 It is a similar document.

2 Q. All right. And both of those are copies of a
3 manuscript that was prepared by you; is that correct?

4 A. Yes.

5 Q. All right. Did anyone, other than yourself,
6 participate in the writing of that manuscript?

7 A. You mean at the time that I was compiling --

8 Q. I'm talking about the completed manuscript that
9 I've put in front of you, both in the form of Exhibit 2 and
10 in the form of Exhibit 405?

11 A. Yes.

12 Q. Who else participated in the writing?

13 A. Brooks Alexander.

14 Q. Okay. When the manuscript -- or strike that.

15 Are you able to identify which parts of the
16 manuscript were written by you and which parts were written
17 by Brooks Alexander?

18 A. Inasmuch as these are copies and not the
19 original document, it is very difficult for me to make that
20 kind of judgment.

21 Q. All right. So that you cannot identify; is
22 that correct?

23 A. I doubt it.

24 Q. Okay. Did you write a manuscript in its
25 entirety first and then did Brooks Alexander go over it and
26 make certain changes?
