

NEIL T. DUDDY

1 Q. Yes, sir.

2 A. No, I don't.

3 Q. Do you agree that opposite means contrary to
4 one another?

5 A. There may be a better definition if you
6 continue reading.

7 Q. Do you agree that the synonym of opposite is
8 contradictory?

9 A. For theological purposes, no. Because the
10 polarity is not between truth and falsehood as opposed to
11 contradiction. Polarity is between satanic and heavenly.

12 Q. Do you agree that the dictionary lists
13 contradictory as a synonym for opposite?

14 A. If that's what your version of dictionary says,
15 Mr. Morgan, then I agree.

16 Q. Does your dictionary say something different?

17 A. As a theological dictionary I would have to
18 say, yes.

19 Q. Okay. Then let's -- okay. I have found the
20 area in the book I was looking for and it would be under
21 your title of "Ethics." And if you will go -- I would
22 say -- about one page, do you see a paragraph that says
23 "Spirit-filled believers are to turn to their own
24 spirits -- 'listen to Jesus' -- to obey the intuitions that
25 originate there." Do you see that paragraph?

26 A. Yes.

NEIL T. DUDDY

1 Q. Let me read the whole paragraph to you. Quote,
2 "Spirit-filled believers are to turn to
3 their own spirits" dash, quote, "listen to Jesus"
4 end of quote, dash, "to obey the intuitions that
5 originate there. Feelings, intuitions and
6 spontaneous sensations are trusted whereas words or
7 signs," paren "i.e., Scripture," end of paren, "are
8 suspicious," period. "Believers are spared havoc
9 by 'sensing' formidable events, thus avoiding them
10 or envisioning their positive resolution. In no
11 case, however, are the guidelines of Scripture to
12 be consulted," end of the paren.

13 Now that statement basically says, does it not,
14 Witness Lee teaches that you listen to your own intuitions,
15 your feelings, and your spontaneous sensations, but in no
16 case do you consider the scripture; isn't that right?

17 A. That's correct.

18 Q. Okay. That's not true, is it?

19 A. Qualified yes.

20 Q. Are you saying again to this jury, Mr. Duddy,
21 that you can't answer that question "yes" or "no" --

22 A. That's correct.

23 Q. -- directly.

24 Let me read to you again -- or strike that.

25 You read The Knowledge of Life, didn't you?

26 A. Yes.
