

NEIL T. DUDDY

1 THE WITNESS: The emphasis is distractions from the
2 key. One distraction is good, another distraction is
3 doctrines, another distraction is gifts.

4 MR. MORGAN: Q. Okay. So he's talking about how
5 to have the Holy Spirit within you and how to avoid
6 distractions; is that correct?

7 A. Yes.

8 Q. All right. He's not discussing morality at
9 this point, is he?

10 A. No.

11 Q. All right. But you took the quotes --

12 A. Excuse me, he is not?

13 Q. That's right.

14 A. I say yes, that -- my no, Mr. Morgan, is a
15 response to your double negative.

16 Q. Okay. You are saying that he is talking about
17 morality here; is that right?

18 A. On page 38?

19 Q. Uh-huh. He is; is that right?

20 A. Correct.

21 Q. Okay. And so you're saying that here he's
22 saying to the people forget the Bible; is that right?

23 MR. WOODRUFF: Again I object. The document
24 speaks for itself.

25 THE WITNESS: I don't read that language in this
26 passage, no?
