1 and we'll do it when the transcripts received.

2 MR. MORGAN: Did I get an answer to the last
3 question? I didn't, did I?

4 MR. GRIDLEY: I think you did. He said "no."

5 MR. MORGAN: G. All right. In the manuscript
6 you say,

7 "In one month alone, this match-making
8 yielded more than a baker's dozen of marriages
9 under the guidance of the Yenta-like elders
10 wives."

11 Do you know who the baker's dozen of marriages
12 were?

13 A. Local Church members.

14 Q. And did you ever see any evidence of that?

15 MR. GRIDLEY: You mean, see?

16 MR. MORGAN: Yes.

17 MR. GRIDLEY: You mean --

18 MR. MORGAN: Records.

19 MR. GRIDLEY: -- hear of?

20 MR. MORGAN: No.

21 MR. GRIDLEY: Oh, see records, documentation.

22 MR. MORGAN: Q. Did you see any records of a
23 baker's dozen of arranged marriages?

24 A. I don't recall.

25 Q. Do you have in any of your records any
26 evidence of a so-called baker's dozen marriages?

NEIL THOMAS DUDDY

1 MR. GRIDLEY: He's looking for written materials,
2 not oral materials.

3 THE WITNESS: Not in my possession, I don't
4 believe so.

5 MR. MORGAN: Q. Okay. Do you know anybody that
6 has such records?

7 A. I do not recall, Mr. Morgan.

8 Q. Did Max Rapoport tell you that he left
9 Anaheim because of persecution?

10 A. I don't recall.

11 Q. Did Gene Ford tell you he left Anaheim
12 because of persecution?

13 A. Asked and answered.

14 MR. GRIDLEY: Well, I think, Mr. Morgan, we are
15 into a new subject area, and as I note it, it is well
16 past 5:30. It is 5:37.

17 If you felt that the particular subject area of
18 persecution was important, I suspect you would have
19 selected that, rather than that about the baker's dozen.

20 I think we are just going to have to conclude
21 today's deposition, unless you told me that you had two
22 more questions which you felt were absolutely essential.

23 MR. MORGAN: Counsel, I have probably a good day
24 of questions.

25 MR. WOODRUFF: Well, since "good day" is your
26 phrase, I think that's the one we'll use.
