

I. Introductory materials, as per letter and example.

(1. President of Anaheim church, business reminders, letter apparent etc.)

II. Testimony *

1. That while president of the Anaheim church you sought to return the following A) manipulation and humiliation of members permitted by witness here and also exercised by witness here

B) the authoritarian abuses occurring in church policy, and permitted or exercised by witness here.

2. That you were witness to A) public humiliations, B) burnings C) psychological demise of people who ultimately required psychiatric care.

3. That you, yourself, were the object of a public humiliation which was filmed and distributed, known as the Max Conference.

4. That you believe the explanations of the Investment-Divestment phase and Burial-Resurrection phase, accurately reflect your observations of local church life, as described in the manuscript.

5. That you have intimate knowledge of the usage of 235,000 \$ initially placed in German banks for the purpose of financing a Stuttgart meeting hall. That because of low interest rates it was invested in an apartment near witness here's residence, where the investment is appreciating. And that in your knowledge and in your time of managing business affairs, there was no plan to move that money back to Stuttgart or use it to build there. [yes here, apparently this little spark ignited a flame]

6. That at a meeting in Feb 1979 in your residence, an elder of the local church recounted how witness here illustrated his control over the church. The church was a SD-1 car, with the passengers having closed lips and eyes allowing the one driver to be in control - namely witness here

7. That the Afternote section of the manuscript accurately reflects the problems confronting i.e. members who leave the church.
8. And whatever else you would like to add.

III. Close with the seal of a Notary Public

* use your own wording and describe things as you see them.

572.2

5. That you have intimate knowledge of the usage of 235,000 \$ initially placed in German banks for the purpose of financing a Stuttgart meeting hall. That because of low interest rates it was invested in an apartment near witness Lee's residence, where the investment is appreciating. And that in your knowledge and in your time of managing business affairs, there was no plan to move that money back to Stuttgart or use it to build here. [yes Lee, apparently this little spark ignited a flame]

6. That at a meeting in Feb 1979 in your residence, an elder of the local church recounted how witness Lee illustrated his control over the church. The church was in a car, with the passengers having closed lips and eyes allowing the one driver to be in control - namely witness Lee
