

1 MR. MORGAN: AND AGAIN, YOUR HONOR, THAT'S ON THIS PAGE
2 207, WHERE THEY TALK ABOUT CONTROLLING THEIR LIVES, AND IT'S IN
3 OTHER PARTS OF THE BOOK ALSO. AND WE'LL COVER THAT LATER.

4 ALL RIGHT.

5 A ONCE AGAIN, NO ONE OF THE PRESENT MEMBERS, NO EX-MEMBERS,
6 AND NO METHODISTS SAID THAT THEIR FINANCES WERE CONTROLLED.

7 Q (BY MR. MORGAN) OKAY. NUMBER FOUR: "DID THE LEADERS
8 TELL YOU WHERE TO WORK?"

9 A NO ONE OF THE PRESENT MEMBERS, NO ONE OF THE EX-MEMBERS,
10 NO METHODISTS WERE TOLD WHERE TO WORK.

11 Q LET'S GO TO NUMBER FIVE: "WAS THE READING OF NEWSPAPERS
12 OR LOOKING AT TV OR LISTENING TO THE RADIO DISCOURAGED?"

13 A THREE OF THE PRESENT MEMBERS, THAT'S THREE OUT OF THIRTY,
14 THREE OF THE EX-MEMBERS, ONE OF THE METHODISTS WERE TOLD OR WERE
15 DISCOURAGED.

16 Q SO WE HAVE THREE OUT OF THIRTY OF PRESENT MEMBERS. THREE
17 OUT OF HOW MANY OF THE EX-MEMBERS?

18 A THREE.

19 Q THREE OUT OF HOW MANY?

20 A THIRTEEN.

21 Q OUT OF THIRTEEN. AND THEN FOR THE METHODISTS?

22 A ONE OUT OF THIRTEEN.

23 Q OKAY.

24 A NOW I WOULD LIKE TO SAY TO THE COURT THAT THE STATISTICAL,
25 THE INFERENTIAL STATISTICAL TEST THAT WOULD BE PERFORMED ON DATA
26 SUCH AS THIS TO ASK WHETHER ONE GROUP DIFFERED FROM ANOTHER
27 WOULD BE A CHI SQUARE ANALYSIS.

28 Q WOULD YOU SPELL THAT?
